RACE VENUE

MOAMA POOL

Cnr Blair & Francis Street, Moama

A long-standing location used over the summer holidays is our location at MOAMA POOL. This location allows us to remain close to town (WINBI unable to be used during school holiday periods) while providing a safe and familiar location for many.

Moama pool is located Cnr Blair & Francis Street, Moama. A beautiful 33m, 6 x lane swimming pool. There is a large grassed area just outside of the pool we utilise for our transition area, as well as a handy set of swings for those with children.

Please ensure you read all details when participating at our Moama Pool location so you are aware of our rules and safety, expectations of participants, and know and understand the course.

Reach out to the Club Committee if you have any questions.

KEY INFORMATION

PARKING: Plenty of off-street parking available. We ask you just keep the area clear where we move from the grass area to Blair Street clear.

TRANSITION: The transition is located in the grass area in-front of the pool. Note that we DO NOT have access to bike racks at this location. So bike can be laid on the grass area or against the pool wall – in an orderly manner. Our committee members may ask you to move/relocate your bike should they require for safety reasons. So please follow any directions.

ROAD SURFACE: Both the bike and run legs are on bitumen / paved surface.

TIMING: Will be located in the transition area on the grass. Please ensure you make yourself aware of where this is when you arrive / before you start. All participants are required to ‘touch on’ with their yellow band at the end of the SWIM, after you return from the BIKE leg, and then at the end of the RUN leg to finish.

MOUNT / DISMOUNT LINE: Will be marked with cones as you turn LEFT out of transition for seniors and RIGHT out of the transition area for juniors. Participants must not mount their bike until they are on the road AFTER the mount line, and BEFORE you return to the dismount line.
